

# LITTLE ORCHARD ALPACAS WEDDING PACKAGES

# THANK YOU FOR YOUR INTEREST IN HAVING LITTLE ORCHARD ALPACAS JOIN YOU AND YOUR GUESTS ON YOUR SPECIAL DAY!

We have two options, which can both be tailored to suit your day:

## OPTION ONE - THE DAPPER DUO

Two of our friendliest alpacas to attend your wedding for 90 minutes. They will be on leads with a handler, but can be walked by guests, move around the venue grounds easily, be fed and petted, mingle seamlessly with your guests and join in for photos!

Price: £395

## OPTION TWO - THE DREAM TEAM

Four loveable alpacas at your wedding for up to two hours! We will set up a decorated pen, two alpacas will remain in the pen for guests to feed, pet and enjoy. Two alpacas can be out of the pen on leads, the same as in option one, but staying nearby to the setup pen area. We will have two alpaca handlers to help and chat with your guests.

Price: £495

We can chat about which option will work best for your wedding, but whichever option you choose...

- The alpacas will be dressed in their finest bow ties and smart leads and halters for the occasion. They can match your theme or we will choose something seasonal for them!
- Why not plan in a little alpaca photoshoot with your photographer, it makes for a great post-ceremony quiet moment as newly weds! They are perfect for calming you for a few moments, will make you laugh and are fantastic for going from ceremony to party mode!
- The alpacas can also be involved in any other photos with family, friends and even the full wedding group photo!

Also included:

A private couples Meet the Alpacas Tour here at Little Orchard Alpacas before the event, or you could visit after the wedding to relax and reminisce about the day! See T&Cs for details.

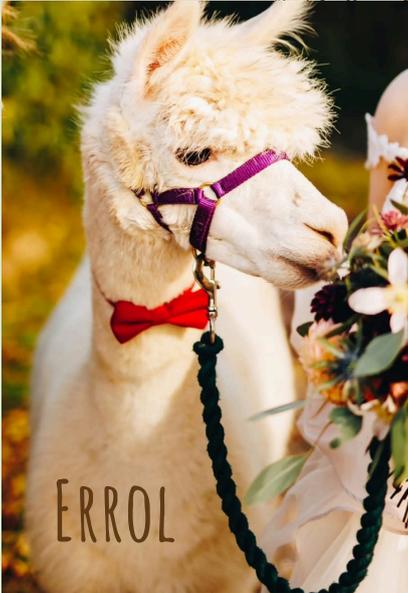

We include 20 miles of travel both ways.

Additional travel is priced at £1 per mile, both ways, up to a maximum of 90 minutes from EX13 7QR.

We love to make each Alpaca Wedding Package unique and to adapt to your day however we can, so any other ideas you might have just let us know!

# OUR ALPACA WEDDING TEAM

All of our wedding alpacas have been carefully chosen to join the team. They are confident with people and new environments and love a bit of fuss! They all have unique personalities and bring something different to the party!

# FURTHER INFORMATION AND TERMS AND CONDITIONS

## THE LEAD UP TO THE BIG DAY

- A Private 'Meet the Alpacas' Tour is included as part of the package - this is worth £60 for two people. If you would like to arrange this before deciding whether to go ahead with a wedding package, you can book this in at it's value of £60 - we will then deduct this from the deposit if you choose to go ahead. If you would like to arrange this visit for after the wedding, it can be arranged without payment needed.
- We take a £100 non-refundable booking fee which secures Little Orchard Alpacas for your wedding day. We can agree timings in advance, however they can be decided much closer to the wedding or event date as we always keep the full day free of any other bookings.
- The remainder of payment is due four weeks prior to the day and we will be in touch to request this and make any final arrangements. Once the full amount is paid we are unable to provide refunds for cancellations made by the booking party.
- We will always make sure you have the permission of the venue before confirming the booking and signing the T&Cs indicates to us that they give permission. If your venue would like to have a chat to us directly, we are more than happy to explain in detail about our set up and share photos of previous locations.
- We are fully licensed by East Devon District Council (EDDC/033/AL) to offer our services at private events, under The Animal Welfare Act.
- We have full Public and Product Liability insurance and can provide a copy of our policy if requested. Our policy is renewed yearly so we may need to wait until the year of the event to provide the relevant cover.
- We are also happy to liaise with your event planner about any other logistics and other event details, to save you the admin!
- We will need space to park and manoeuvre our alpaca trailer and 4x4 vehicle. The alpacas can walk a short distance to where they are going to be greeting guests and we are quite happy to park out of sight.
- Weather Policy: We can go ahead with the booking in most weather, however if the weather is particularly hot (25+ degrees Celsius) we may need to consider whether there is enough shade at the venue that we can provide for the alpacas and whether travelling will be safe. In strong winds or stormy weather, we will also need to consider whether travelling is safe. Should we need to cancel for either of these reasons we will provide a full refund.
- If we, Little Orchard Alpacas, need to cancel, due to any other circumstances outside of our control we will let you know at the earliest possible time and will provide a full refund. This will not be a decision we take at all lightly, but alpaca farming can be unpredictable and we wish to avoid disappointment where possible.
- Why not bring your hen or stag party's along to meet the alpacas first! We offer a 15% discount for Hen/Stag Party bookings when booked with our wedding package.
- We take bookings for our alpaca wedding and event package all year round, therefore it is important to note that we shear the alpacas in May! Following this they have the freshly sheared look and will not be as big and fluffy as they would be in the winter!
- We include 20 miles of travel in our Alpaca Wedding Package. Additional travel is charged at £1 per mile. Our maximum travel time is 90 minutes away from us here at Little Orchard Alpacas (EX13 7QR)

# ON THE BIG DAY ITSELF

- Unless specified otherwise, there will be two alpaca handlers present on the day (one will remain with the vehicle unless needed). Usually Vic (Victoria Lee) is lead alpaca handler and will offer advice and guidance to you and your guests as to how to approach and interact with the alpacas to get the best out of them (and your photos too!).
- Hand washing and hygiene is the responsibility of all those who interact with and touch the alpacas and those responsible for children interacting with the alpacas. We will always ensure any venue we attend has hand-washing facilities. We will have hand sanitiser for those would who like to use it, but stress this is not an alternative to proper hand washing.
- The safety and welfare of both the alpacas and guests is our priority, however we will not be held responsible for the actions of individuals not adhering to our advice.
- We will do our utmost to ensure that guests understand what is safe behaviour around and with the alpacas. However, If we decide that we need to leave the event early for any safety reasons, including intoxicated guests deliberately and repeatedly not following safety advice, or any stress being caused to the alpacas, we will do so. No refund will be given in this situation.
- We provide everything we will need for the day and will always leave the venue as we found it much as is reasonably possible – we will always pick up any alpaca poo and remove any litter such as alpaca treats bags.
- The alpacas have padded feet and therefore do not easily cause damage to grass, like a hooped animal might, however if it is very wet ground and they are stood in the same area they may cause some damage. If the venue is at all concerned, then we would suggest we are based on a hard-standing area, such as gravel or tarmac.
- Whilst we take every possible care during our visit, our presence at the event is at the discretion of the venue and therefore we require that the venue accepts responsibility of damage to grass/ground given the nature of our service.
- We reserve the right to use any photographs or media from the wedding or event for promotional purposes. If you would like to keep any photos private, please let us know before the day.

IF YOU HAVE ANY QUESTIONS OR QUERIES PLEASE LET US KNOW AND WE WOULD BE HAPPY TO TALK THROUGH THEM WITH YOU. WE WANT YOU TO FEEL CONFIDENT WITH YOUR ALPACA WEDDING PACKAGE AND WITH CHOOSING US FOR YOUR SPECIAL DAY!
